Report of Principal and School Improvement Council

Woodmont Middle has been an authorized International Baccalaureate Middle Years Programme School since February 2005. We are confident that in raising rigor, implementing interdisciplinary units, IB assessments, focusing on IB Areas of Interaction and Learner Profile, and incorporating community and service requirements, our students will be greatly impacted and student achievement will improve as a result. We began the process of reviewing the Portfolio in August 2011 by analyzing the PASS achievement data. Each core academic department met with the Instructional Coach to determine areas of strengths and weaknesses. The PASS data were examined at the strand level to determine what needed to occur. From these meetings writing was identified as an area of major concern. These committees determined that the academic achievement in all areas and across subgroups was in need of further improvement. The teachers have met throughout the year to develop strategies to improve scores in each area. The teachers also analyze each quarterly benchmark test to determine if improvements have been made. Our 2011-2012 school-wide reading contest, Driven to Read, surpassed expectations. The goal for students and faculty was to read 1,250,000 pages. Students and staff members turned in reflections forms on books they read throughout the school year. At the conclusion of the contest the total number of pages read was 1,380,066. Students and staff members were treated to a performance by the principal and assistant principal for reaching the school goal. Woodmont Middle has been recognized through several awards. We were the recipient of the Palmetto Silver Award for Closing the Gap in 2008-2009 and the Palmetto Silver Award in 2012 for General Performance Improvement. The School Improvement Council was named as an Honor Roll SIC for the Riley Award in 2012. In 2011, Woodmont Middle School was named as a Finalist for the Panasonic School Change Award. In addition, our school website has received several awards over the last few years. Our staff is committed to excellence. We are pleased to have four National Board certified teachers on our staff. In addition, over the last several years our teachers have been awarded a number of grants. Parental and community involvement has played an important role in supporting the initiatives at Woodmont Middle School. We appreciate the support we have received from all stakeholders. Through our continued partnership and commitment to our students, we are sure to continue on the path to create life-long learners.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	88.8
Overall Grade Conversion	B
